Sir:

Pursuant to 37 CFR 1.56, the attention of the Patent and Trademark Office is hereby directed to the reference(s) listed on the attached PTO-1449. Unless otherwise indicated herein, one copy of each reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the reference(s) be made of record therein and appear among the "References Cited" on any patent to issue therefrom. Applicants respectfully request the Examiner return an initialed copy of the enclosed Form PTO-1449 to Applicants with the next Office communication to indicate that the reference(s) has been considered, per MPEP § 609.

The enclosed Information Disclosure Statement (with attached Form PTO-1449) is submitted for filing in the above-identified application within three months of receipt of the PCT search report for the PCT application based on this application.

This application is a continuation-in-part application which discloses and claims subject matter disclosed in an earlier filed pending application. This application is a continuation-in-part of U.S. application serial number **10/290,275 filed November 8, 2002**. Except for the reference attached, all patent and non-patent references were previously submitted or cited in the prior application.

Except for the references not previously submitted, the references listed on Form PTO-1449 (modified) submitted herewith, were submitted to, and/or cited by, the Office in the prior application(s) and, therefore, are not required to be provided in this application.

I hereby certify that each item of information contained in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. 37 CFR 1.97(e)(1).

Respectfully Submitted,
